SECTION 01

THE QUARTER, IN ONE NUMBER.

We set Q1 up around three numbers: revenue, blended ROAS, and new-customer share. Here's where we landed.

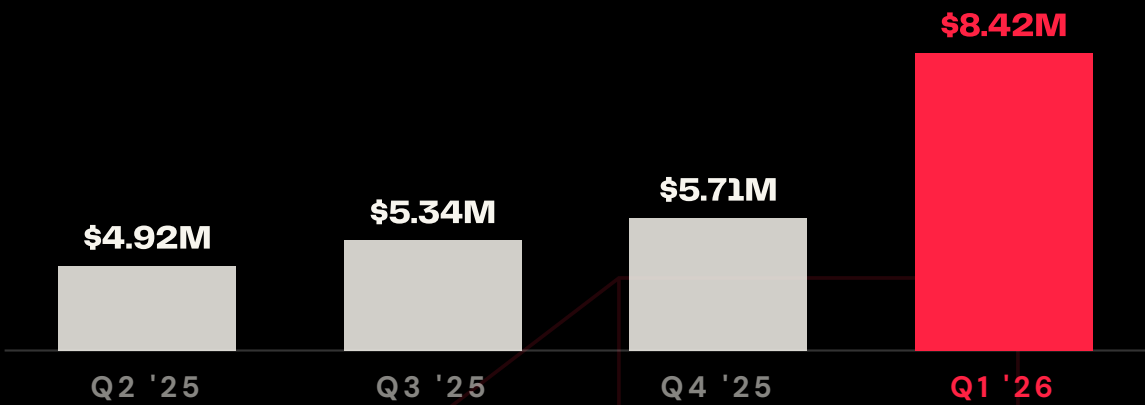

Q1 HEADLINE

PAID MEDIA DROVE **\$8.42M** IN Q1 REVENUE AT A **4.6×** BLENDED RETURN.

PAID REVENUE

\$8.42M

vs. \$5.71M in Q4 2025

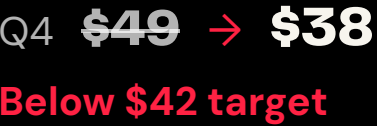

BLENDED ROAS

THE COHORT THAT'S QUIETLY WINNING

WOMEN 35–54 IN **COLD-WEATHER** STATES ARE BUYING **TWICE**.

61% of this cohort came back within 38 days, mostly through email + retargeting. They're not our biggest audience — they're our most efficient one.

Q2 PLAN

SCALE +\$470K \$1.95M META PROSPECTING Best LTV-to-CAC of any prospecting channel. Lift to fund the 35–54 cohort + creative testing.	SCALE +\$280K \$1.40M GOOGLE PMAX — APPAREL Asset-group performance is consistent. Carve out a winter-apparel-only PMax with a separate budget.	HOLD FLAT \$2.10M COMBINED SEARCH + RETARGETING Already at saturation. Same dollars, refreshed creative cadence (every 21 days).	CUT –\$340K \$510K PROGRAMMATIC DISPLAY ROAS held but incrementality test was inconclusive. Pull 40% and re-deploy to Meta/PMax above.
